

## Front Range Fuels Treatment Partnership FY04 Wildland Urban Interface Fuels Management Activities Planned for Rocky Mountain National Park and Florissant Fossil Beds National Monument

### Rocky Mountain National Park

Project & Location	Acres	Type	Status	Partners	Comments
Deer Mountain Rocky Mountain NP	90	Manual treatment of hazardous fuels and slash pile burning along boundary	Active Began 2003	Harmony Foundation, Town of Estes Park, Larimer County, CSFS, USFS	40 acres of slash pile burning 50 acres of manual treatment
Emerald Mountain Rocky Mountain NP	56	Manual treatment of hazardous fuels and slash pile burning along boundary	Active Began 2001	YMCA of the Rockies - Estes Park Center, Larimer County, CSFS, USFS	35 acres of slash pile burning 21 acres of manual treatment
Moraine Park Rocky Mountain NP	45	Prescribed burn to reduce hazardous fuels	Planned for spring - fall of 2004	USFS, Larimer County	Project dependent upon favorable conditions
Eagle Cliff Rocky Mountain NP	20	Manual treatment of hazardous fuels along boundary	Active Began 2002	Residents, Larimer County, CSFS, USFS	10 acres of slash pile burning 10 acres of manual treatment
Grand Lake Rocky Mountain NP	22	Slash pile burning near NPS structures	Active Began 2001	Residents, Town of Grand Lake, Grand County, CSFS, USFS	12 acres of slash pile burning 10 acres of manual treatment
Cow Creek Rocky Mountain NP	10	Manual treatment of hazardous fuels along boundary	Scheduled	Residents, Larimer County, CSFS, USFS	
Hidden Valley Rocky Mountain NP	2	Slash pile burning near NPS structures	Completed		Site restoration
South Lateral Moraine Rocky Mountain NP	21	Prescribed burn to reduce hazardous fuels near private & NPS structures	Planned for spring - fall of 2004	CSFS, USFS, Larimer County	Project dependent upon weather conditions

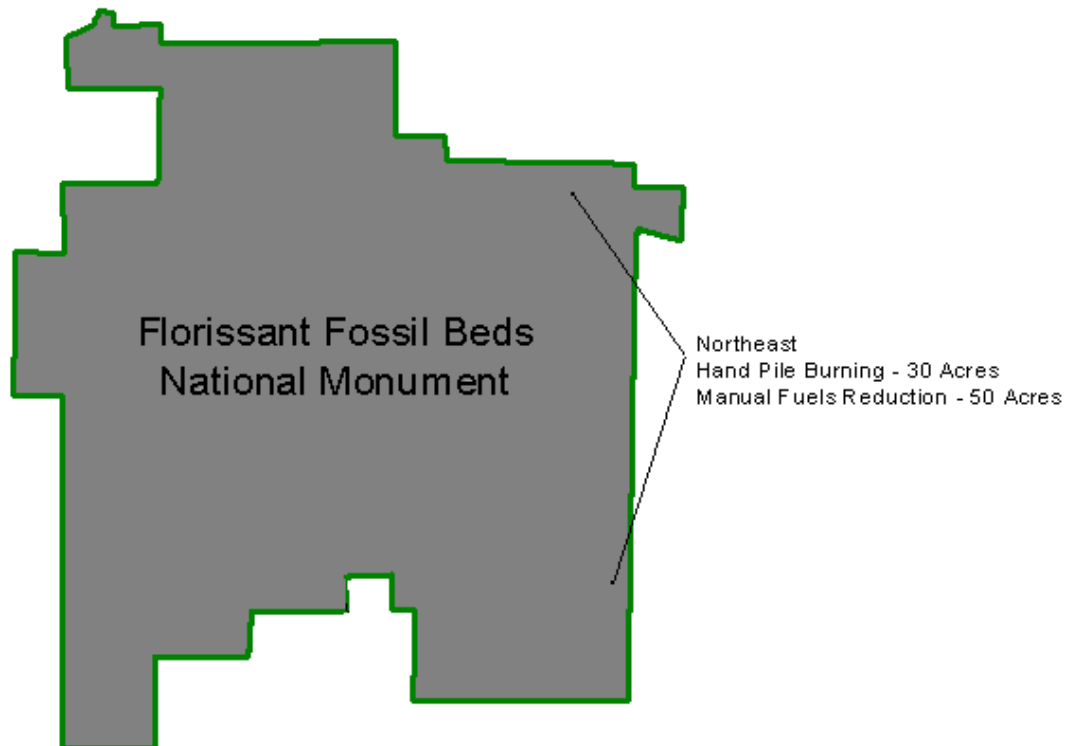

### Florissant Fossil Beds National Monument

Project & Location	Acres	Type	Status	Partners	Comments
Northeast Florissant Fossil Beds N M	80	Manual treatment of hazardous fuels and slash pile burning along boundary	Active Began 2002	CSFS, USFS	30 acres of slash pile burning 50 acres of manual treatment

## FY04 Fuel Reduction Project Locations

Maps not to scale

## FY04 Wildland Urban Interface Community Education and Assistance Activities at Rocky Mountain National Park and Florissant Fossil Beds National Monument

Project & Location	Type	Amount	Partners	Comments
Allenspark Rocky Mountain NP	Rural Fire Assistance	\$3,500	Allenspark VFD, CSFS	For wildland fire equipment, supplies and training
Estes Park Rocky Mountain NP	Rural Fire Assistance	\$7,000	Estes Park VFD, CSFS	For wildland fire equipment, supplies and training
Glen Haven Rocky Mountain NP	Rural Fire Assistance	\$11,000	Glen Haven VFD, CSFS	For wildland fire equipment, supplies and training
Grand Lake Rocky Mountain NP	Rural Fire Assistance	\$4,400	Grand Lake VFD, CSFS	For wildland fire equipment, supplies and training
Interagency Fire Education Coordinator Rocky Mountain NP	Community Education & Assistance	\$15,000	Larimer County, CSFS, USFS, EPVFD	Grant to CSFS to hire seasonal coordinator
Teller County Florissant Fossil Beds NM	Rural Fire Assistance	\$10,000	Teller County SO	For wildland fire equipment, supplies and training
Florissant Florissant Fossil Beds NM	Rural Fire Assistance	\$10,000	Florissant VFD	For wildland fire equipment, supplies and training

### Rocky Mountain National Park

	WUI Acres Treated	Community/Rural Fire Assistance Provided
FY04 (to date)	305	\$40,900
FY03	589	\$69,000
FY02	305	\$18,000

### Florissant Fossil Beds National Monument

	WUI Acres Treated	Community/Rural Fire Assistance Provided
FY04 (to date)	65	\$20,000
FY03	80	
FY02	85
